

Land Use and Water Quality conference (LuWQ2019) 3-6 June 2019, Aarhus, Denmark.

Preliminary programme, oral presentations (version 5, 27 March 2019)

This preliminary programme is intended for those who give a talk about timing of their presentation.

Please note that in a next version of the Preliminary Conference Programme:

(a) The time of your presentation within the day can be adapted;

(b) Though not very probable, the day of your presentation can be changed to another day.

The numbers #235_Svendensen, #245_Broers etc. refer to abstract titles that you can find via the link "Click here to download list of abstracts accepted for oral/poster presentation (PDF)" on the HOME page.

The version of Preliminary Programme with final session titles and session chairs will be published on website just before middle of May 2019
